Dear Parent/Carer

Re: Academy Tours - September 2021 Admission

We would like to thank you for taking your time to consider the Hundred of Hoo Academy as your school of choice for your son/daughter. As an Academy we understand that the process for choosing your preferred school is more difficult than it has ever been due to the current restrictions that we are facing.

Following consultation with our health and safety advisor we are delighted to be able to offer some tours to parents and pupils prior to the national secondary application deadline, however some restrictions will need to apply. Please see the criteria below:

- Limited to groups of no more than 6.
- One parent and child only (Second child permitted if twins/both children will be applying for a secondary school place in September 2021).
- Masks must be worn at all times unless medically exempt.
- Only available to parents of pupils who **do not** have a sibling in attendance currently.

We appreciate that this is not an ideal situation, and I am sure that all parents would like to be involved in the viewing process. Similarly, parents of children who already have children attending the Academy but are due to start in September, would like their child to have the opportunity to view the site, however we have aimed to select a process that adheres to social distancing guidelines alongside helping parents and children make an informed decision where they do not already have a base of knowledge. It is our absolute intention that further opportunities to view the Academy will be available at a later date, however we cannot guarantee that these will be prior to the application deadline.

Tours can be booked using the following link (one ticket per family):

Please note that all other information including subject tours, speeches and any additional information can all be located on our website at <https://www.hundredofhooacademy.org.uk/> and via our 'September 2021 Year 7 Admissions' Facebook page and Twitter account.

Thank you again for your consideration of our Academy as the school of choice for your child.

Yours sincerely

Mr L Webb
