You must know which seat you have been allocated, so you can join the correct line outside the Exam Hall. Everyone to come up the steps!

At the line-up:

- Each line will wait quietly, and be completely silent once entry to the Exam Hall is about to start.
- You will be told when to enter the Exam Hall (1 row at a time).
- From the moment you enter the building, you must be completely silent, this is a formal exam.
- You will find your desk easily, because everyone in your line will be seated in the same row.
- Sit down silently, and make sure you face the front of the Exam Hall at all times.
- You must not talk or communicate with anyone else unless to a teacher, to ask for help.
- For big exams, you will have a pre-named card on your desk.
